

## Subscriber User Guide - How To Login To Your impCloud Account

**Introduction:** This guide shows you how to log in to your impCloud account and view your dashboards.

**Step 1.** Log into your account by accessing our website [www.gridimp.com](http://www.gridimp.com)

Navigate to the Gridimp home page & the select '**Login**' located at the top right- hand side of the screen.

**Step 2.** You will then need to log in by entering your username and password, which were created when your account was set up.

The screenshot shows the 'impCloud Console' login interface. It features the 'gridimp' logo at the top left. Below the logo, there are two input fields: 'Username' and 'Password'. A green 'Login' button is positioned below the password field. At the bottom of the login box, there is a link that says 'Forgot your password?'.

**Step 3.** You will now have full access to your ImpCloud account. The information displayed will vary depending on your service level but will include details such as: upcoming flexibility events, and flex earnings.
